The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF AMENDMENT NUMBER ONE TO AGREEMENT NUMBER 76118  
WITH INFRAGARD LOS ANGELES MEMBERS' ALLIANCE FOR LOS ANGELES  
JOINT REGIONAL INTELLIGENCE CENTER CONSULTING SERVICES  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

Extension of Agreement 76118 with InfraGard Los Angeles to provide a consultant to the Los Angeles County Sheriff's Department's (Department) Joint Regional Intelligence Center (JRIC).

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Chair of the Board of Supervisors to execute the attached proposed Amendment Number One (Amendment One) to Agreement Number 76118 with InfraGard Los Angeles Members' Alliance (InfraGard), to extend the term of the Agreement for five (5) years following the current expiration date of May 31, 2008, and increase the maximum contract sum in an amount not to exceed \$1,130,000. This agreement is 100 percent subvented by the California State Homeland Security Grant Program (SHSGP).
2. Authorize the Sheriff or his designee to execute all change orders, and amendments as specified in the Agreement, if it is in the best interest of the County, including the right to suspend work pending the availability of grant funding for each contract year.

*A Tradition of Service*

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On November 14, 2006, the County accepted the Fiscal Year 2006 SHSGP grant funds. One hundred fifty thousand dollars (\$150,000) was provided from the Law Enforcement Terrorism Prevention Program (LETPP) grant and was used to subvent 100 percent of the costs for the initial agreement for the consultant services requested herein.

The JRIC is a cooperative body of local law enforcement agencies tasked with the gathering and sharing of strategic information and data related to terrorism threats in Los Angeles County and the formulation of rapid responses to mitigate such threats by enlisting the support of the private sector.

Amendment One will permit InfraGard to continue providing services to the County by employing and managing a consultant for JRIC. The consultant is responsible for the administrative and operational coordination of JRIC critical infrastructure functions in support of JRIC committees and initiatives.

InfraGard has conducted its first year of cross-disciplinary and cross-jurisdictional training of current JRIC members and has researched, identified, and gained an understanding of various JRIC operations. The JRIC is now prepared to expand upon InfraGard's role of providing a supporting role as a force multiplier and/or subject-matter specialist pertaining to the Los Angeles region's critical infrastructure. Conversely, the JRIC is continuously working to utilize the resources of InfraGard to assist in meeting its own preparedness goals and objectives.

### **Implementation of Strategic Plan Goals**

Amendment One supports the County's Strategic Plan Goal 1, Service Excellence, because it will allow for a significant expansion of the Department's ability to assist in the prevention of, preparation for, and response to any catastrophic event through the assistance of the private sector community, which will in turn improve our ability to respond to any emergency, in particular terrorism.

### **FISCAL IMPACT/FINANCING**

The amount for the first year of services provided through Amendment One is \$200,000. Should grant funding not be available at any time during the term, or should the issuance of any such grant be delayed, the Sheriff will issue to the Contractor a written notice to suspend work. This notice would remain in force until such time that grant funding is restored, and in no manner shall serve to extend the term of the agreement.

The notice-to-suspend work procedure enables the County to maximize the services provided by the Contractor, while protecting the County's financial interests. The maximum contract sum is \$1,130,000. There is no cost-share or matching fund requirement.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Under the Agreement, InfraGard will provide consultant administrative services for the further development and expansion of JRIC, including the development, training, exercise, and implementation of efforts between JRIC and the seven regional counties it serves (Los Angeles, Orange, San Luis Obispo, Santa Barbara, Ventura, San Bernardino, and Riverside Counties) with regards to critical infrastructure/key resource security.

The Agreement is in compliance with all Board, Chief Executive Office, and County Counsel requirements, and has been reviewed and approved as to form by County Counsel.

### **CONTRACTING PROCESS**

This consulting agreement was procured on a sole-source basis based upon InfraGard's unique qualifications and special expertise to provide a consultant for the specific services required. InfraGard is a non-profit California corporation established for the purpose of mitigating terrorist-based threats, risk, and loss. InfraGard was created by the Federal Bureau of Investigation (FBI), and its services are focused on the same seven Southern California counties as those serviced by the Los Angeles office of the FBI. InfraGard is the only national organization staffed by 100 percent-vetted private sector industry leaders, who represent each of the same 17 critical infrastructure categories recognized by Los Angeles law enforcement.

InfraGard has nationwide experience in establishing public-private partnerships to counter and respond to national security threats. In particular, InfraGard specializes in coordinating the resources and expertise of private businesses with the needs of government agencies responsible for public safety.

Amendment One will extend the InfraGard agreement through May 2013.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

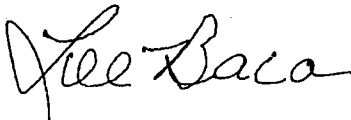

There will be no negative impact on current Department operations and services.

The Honorable Board of Supervisors  
May 20, 2008

AMENDMENT 1 – EXHIBIT 2**

**V. WORK, SUSPENSION FOR CONVENIENCE**

The Agreement may be suspended, in whole or in part from time to time, by County in its sole discretion for any reason. Suspension of Work hereunder shall be affected by delivery to Contractor of a written Notice to Suspend Work (Notice) specifying the extent to which performance of Work is suspended, and the date upon which such suspension becomes effective. The date upon which such suspension becomes effective shall be no less than five (5) days after Notice.

The Notice to Suspend shall not in any manner have the effect of extending the Term of this Agreement nor shall the Notice be construed as Termination. Should said Notice be in effect on the expiration date of this Agreement, the Agreement shall be considered to have expired. In addition:

1. If, during the term of this Agreement, COUNTY funds appropriated for the purpose of this Agreement are reduced or eliminated, COUNTY may immediately suspend this Agreement with a written Notice to CONTRACTOR.

3. After receipt of the Notice to Suspend, CONSULTANT shall submit to COUNTY, in the form and with the certifications as may be prescribed by COUNTY, its suspension claim and invoice for all services rendered up to, but not including, the effective date of suspension. Such claim and invoice shall be submitted promptly, but not later than three (3) months from the effective date of suspension. Upon failure of CONSULTANT to submit its suspension claim and invoice within the time allowed, COUNTY may determine, on the basis of information available to COUNTY, the amount, if any, due to CONSULTANT in respect to the suspension and such determination shall be final.

**AMENDMENT 1 – EXHIBIT 2 (continued)**

5. Any Work performed after the issuance of such Notice shall be considered gratuitous and not billable to COUNTY.

**A. NO PREJUDICE; SOLE REMEDY**

Nothing in this Section V. (Work, Suspension for Convenience) is deemed to prejudice any right of Contractor to make a claim against the County in accordance with this Agreement and applicable law and County procedures for payment for Work through the effective date of suspension. Contractor, however, acknowledges that the rights and remedies set forth in this Section V. shall be the only remedy available to Contractor in the event of a suspension pursuant to this Section V. by County.

**B. NOTICE TO RESUME WORK**

Upon written notification from the COUNTY Project Director, Contractor shall resume all Work prescribed herein. Contractor may commence billing -COUNTY for all approved Work in accordance with the pricing rates established in Attachment A1 for the monthly period coinciding with the Notice to Resume Work, or any pro rata portion thereof.
